

2015

A MESSAGE FROM MAYOR NENSHI

On behalf of my City Council colleagues and the people of Calgary, I am pleased to offer my warmest greeting for the 2015 edition of the Alberta Lebanese Directory. Congratulations on your 10th Anniversary!

It can be difficult for immigrants to adapt to a new home in a new country, but having a resource such as Leb411 can be very helpful. For ten years, Leb411 has been a source for connecting Lebanese Albertans to each other and to Lebanese businesses.

I am proud to be the Mayor of a city where so many different cultures thrive together to create such a vibrant community. Your commitment to share your heritage with all Calgarians will help ensure our city's rich culture.

I commend the publishers of the Alberta Lebanese Directory for providing members of Calgary's Lebanese community with this valuable guide.

Best wishes for continued success.

Sincerely,

Naheed K. Nenshi
